**LEGS** Solid oak legs.  
**FRAME** Solid European pine frame wrapped in silicone foam with springs for added support and comfort.

**SEAT & CUSHIONS COVER** Synthetic silicone fibre for comfort and durability, ideal for maintaining shape. Covers are fully removable for dry clean only.

**PRODUCT CARE** Cushions should be regularly plumped to maintain shape. A light weekly vacuum will prevent build up in the fibres and protect against marks. Papaya recommends the use of an appropriate furniture brush attachment with your vacuum cleaner. Do not use cleaners or cleaning agents that are abrasive, caustic or acidic. For indoor use only.

\*Pure linen fabrics can be light sensitive, especially dark colours. Ensure location of sofa is not in direct or reflected sunlight through windows or skylights in order to avoid fading.

**FABRIC PROTECTION** A professionally applied fabric sealer will protect fabric from soiling. Do not saturate fabric, rather apply a couple of light coats of sealer. Treat spills and stains immediately with a damp cloth. Do not machine or hand wash, bleach, or tumble dry. **DRY CLEAN ONLY.**

Incorrect application of sealers and/or cleaners or allowing insufficient drying time voids the warranty.

**DIMENSIONS** Please note all dimensions are approximate. Allow up to an additional 10cm in total for cushions overhang.

*Sure Seal Rug & Carpet Sealer* will provide a barrier to some degree between the fabric and any spills of water based or oil staining - but always clean spills immediately. Sure Seal also provides some protection against day to day wear.
