includes sofa, 4 back/side cushions, 2 x arms,
2 x scatter cushions & coffee table

sofa | 160x80xH71cm + table | 80x80xH25cm

MATERIALS

cushions Textilene

frame & table Powder coated aluminium

PRODUCT CARE

Suitable for outdoor use. Wipe down with a lint free cloth regularly to prevent dirt embedding in the fabric.

Covers are removable for dry clean only and should be cleaned by professionals.

PROTECTION

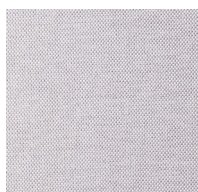

We recommend a qualified fabric protection service to apply a protector such as Scotchgard. To extend the life of the fabric and cushion interior we recommend that cushions are stored out of direct sun and rain when not in use. For storing over prolonged periods, we recommend storage in a dry and ventilated space. To avoid mildew cushions should be completely dry before storage.
