Fully assembled

**CHA190**  
Bar Stool

**CHA187**  
Dining chair

**CHA188**  
Occasional chair

## PRODUCT CARE

Each Parker chair is individually made, woven from natural rattan over a wrought iron frame. Care must be taken when using these hand-made pieces. We recommend cleaning with a damp cloth. Do not saturate the rattan. Suitable for indoor use only. **Please note:** For your own safety chairs should not be stood on under any circumstance. Not suitable for commercial use.

## PREVENTATIVE CARE

*Sure Seal Timber sealer* will provide a barrier to some degree between the timber and any spills of, for example red wine, oils etc - but always clean spills immediately. Sure Seal also provides some protection against day to day scratches. Follow instructions on pack carefully as incorrect application voids your warranty. Re-apply every 4-6 months. This is available at [papaya.com.au/brands/sure-seal](http://papaya.com.au/brands/sure-seal) or your local Papaya store
