

# KURO

**BEN013** | bench  
220x40xH45cm

**TAB312** | dining table  
220x100xH75cm

## MATERIALS

Top & base

Fibrestone composite  
(polyresin, stone powder & fibreglass)

## PRODUCT CARE

Suitable for indoor & outdoor undercover. Extreme conditions will affect the table so consider this in its placement and keep out of direct sunlight.

Kuro is sealed and treated to protect against everyday use however it is important that spills and liquids are cleaned immediately. Do not use acidic cleaners or bleach as they can permanently mark the surface. Papaya recommends that the surface always be protected, for example with trivets and on placemats.

## PROTECTION

For general maintenance use a damp cloth and mild soap for periodic cleaning. A colourless paraffin wax should be applied every six months to maintain the surface.

*some assembly required*
