PRODUCT CARE

Use a natural multipurpose furniture wax to help to maintain the surface of the oak legs. A light weekly vacuum will prevent build up in the feather/ fibres in the cushions. Papaya recommends the use of an appropriate furniture brush attachment with your vacuum cleaner. Do not use cleaners or cleaning agents that are abrasive, caustic or acidic. For indoor use.

FABRIC PROTECTION

Scotchgard recommended. Use a qualified fabric protection service to apply chemical fabric protection. Spot clean only - treat spills and stains immediately with a damp cloth. Do not wash, bleach, warm iron or tumble dry. DRY CLEAN ONLY.
