## MATERIALS

Charcoal mirror with metal frame

## PRODUCT CARE

We recommend removing any spills immediately to prevent permanent staining on surfaces. For regular dusting, use a dry soft cloth. Clean glass surfaces with a non abrasive glass cleaner and clean metal parts with mild soap and warm water, rinse clean and wipe dry. Do not use any steel wool or sandpaper, mineral acids, bleaches or chlorine cleansers on any of the surfaces.

Clear or mirrored glass on a meranti plywood base, albasia wood rim

### PRODUCT CARE

Our wooden trays are varnished with water-based top coat to repel common substance and fluids, such as coffee, tea, and wine. However, the protective coat is not foolproof guarantee against stains. Remove spills immediately to prevent staining. Always use coasters to prevent hot surfaces from leaving marks on the wooden trays. Use a dry soft cloth for general dusting. Use furniture polish with a soft cloth on timber trays and clean glass surfaces with a non abrasive glass cleaner. Do not use any steel wool or sandpaper, mineral acids, bleaches or chlorine cleansers on any of the surfaces.
