MATERIALS

| | |
|-------------|-------------------------------|
| seat + back | ecolene (polyethelene rattan) |
| frame | Powder coated aluminium |

Woven from Ecolene: a 100% recyclable polyethylene rattan that looks and feels natural. It is a durable material that is UV- and water-resistant and able to withstand extreme temperatures.

PRODUCT CARE

Suitable for indoor or outdoor use, we recommend to keep inside or out of direct sunlight when not in use in order to prolong life & prevent discolouration. Stackable for easy storage.

We recommend washing with a soft cloth and mild soap. Wipe afterwards to ensure no residue is left.
